# NEW DISPENSER TREND

## ECO - SUSTAINABILITY AND SAVINGS

Our new **refillable dispenser Trend Plus** is a synonym for **eco-sustainability**, as it allows less waste of packaging and cosmetic product compared to the use of single-dose bottles. An affordable and long-lasting solution that, thanks to its minimalist design, becomes suitable for different types of environments..

# NEW DISPENSER TREND PLUS

## *key benefits*

### REFILLABLE PACKAGING

### SUSTAINABILITY

*Less packaging waste compared to the use of single-dose bottles. No waste of cosmetic product thanks to the membrane cap that ensures a controlled dosing. 100% recyclable PE bottle\*.*

*\*On demand, it can also be made with 100% recycled plastic.*

## *benefits for the hotels*

1

### SAVINGS

Affordable solution due to the refillable system.  
Less product waste compared to the use of single-dose bottles.  
No product waste thanks to the controlled dosing.

2

### PRACTICALITY AND EFFICIENCY

Easy to assemble and versatile, as it can be fixed to the wall with screws or double-sided tape.  
Quick and easy to replace and clean.  
Transparent bottle that allows you to check the level of product consumption.

3

### SECURITY

Wall-mounted supports with anti-theft lock.

## BOTTLE OPENING SYSTEM

QUICK AND  
EASY ONE-CLICK  
OPENING

### 2 EASY STEPS

To substitute an empty bottle, insert the key into the slot on the top section as far as it will go (you will hear a click). Grip the top (key side) with thumb and forefinger and slide it out from bracket. Then unscrew the screw cap and proceed with the refill.
